

Dear Parents,

Hope you all are doing good and are following the safety rules to stay healthy with your family members. This is the time when we all have to show our educated moves and control, to be a winner and save ourselves and our country.

As your ward joins us in the new session 2020-21, his/her **New Class and Section** are updated in the school CSM. We are going to start our **Online Study Classes** through our Homework App which you all have been using from last three years. All the teachers have worked hard to prepare special study material for the students of all the classes.

Kindly sit with your child and help him/her to open the school homework App, read it and complete the innovative and informative activities which will be sent to you for all the subjects every day now. Set your Child's study time and use pages from old note books to complete the work.

Visit the School Website bluebrdschool.org regularly for various circulars and notices. For any kind of **technical query** contact us on the e-mail at bluebirdschoolpkl@gmail.com

Let us make use of the Lockdown time and our Homework App to keep our Children busy constructively and help them to stay happy, healthy and safe indoors.

Vandna
