LABOUR DAY

People who help us are the real architects of our society, and they deserve their due respect and recognition. We, at Blue Bird High School, sector 16 , Panchkula, believed that each small act of kindness counts and the charity should begin from home .We also attempt to inculcate that virtue of 'Dignity of Labour' in our students. In order to imbibe skills of social behaviour, emotional bonding, sharing is caring and gratitude in every child, and to inculcate a sense of respect for the labour in our students, special assembly was organized in school on 1st May 2023, Monday. Students performed a role play depicting the struggles and challenges faced by the working class in our society. The role play highlighted the importance of respecting and valuing the contributions of the labour community towards the growth and development of our society. Students of kindergarten wing distributed various items like food packets, toothpaste, soaps , bournvita pouches etc. and many other usable items to the school's helpers, who work tirelessly to ensure the smooth functioning of the school. The students showed their gratitude towards the helpers and acknowledged their hard work and dedication towards their job. Special lunch was also organized by the school for the helpers.
