THINK BEFORE YOU CLICK!

Why Cyber Clubs in Schools are important?

➢ **Cyber clubs foster interest in technology and cyber security from an early age.**

➢ **They provide a space for students to develop critical thinking, problem – solving and collaboration skills.**

➢ **To promote digital literacy and responsible online behavior.**

➢ **They serve as a gateway for students to pursue careers in cybersecurity.**

October 2023

Poster making activity was conducted for the students of class VIII . The intent behind this was to make the students aware about the cyber related issues prevailing in the society.

December 2023

Digital poster making activity was organised for the students of grade VI. The students are required to showcase their creativity on the given theme Online Safety Tips, Be Smart Online, Stay Safe Online, Think Before You Click etc. The intent behind this was to make the students aware about cyber-attacks and digital safety.

February 2023

School Cyber club celebrated World Safer Internet Day. A talk session was also conducted regarding Online Safety Tips, Be Smart Online, Stay Safe Online, Think Before You Click, phishing, etc. Students also shared their experiences about the same and also about the vision they have for the future of the Internet. A video was shown in junior classes on internet safety. The intent behind this was to make the students aware of cyber-attacks and digital safety.
