## **INDUCTION CEREMONY OF INTERACT CLUB**

Blue Bird High School, Sector 16, Panchkula proudly launched its first-ever EarlyAct Club on 23 August 2025, igniting a new wave of student leadership and service.

Sponsored by the Rotary Club, EarlyAct empowers students aged 12-14 to make a meaningful impact. The vibrant ceremony at the school auditorium 'Plume' also celebrated the induction of Interact Club

'Prayaas-Ek Koshish: With 42 students officially welcomed and a dynamic Club Board announced, the event marked a powerful step toward nurturing empathy, excellence, and community spirit.

# CAREER COUNSELLING SESSION

Interact Club of Blue Bird High School, hosted a comprehensive career counselling session for its senior students on August 30, 2025. The session was conducted by a team of expert counsellors from Aakash Institute, a leading name in test preparation for medical and engineering entrance exams.

The event was organized with the primary objective of demystifying career options in the fields of medicine, engineering, and other competitive exam-based careers for students of classes IX and X. The session aimed to provide students with a clear roadmap for their future academic pursuits.

The programme commenced with a warm welcome address by the President of the Interact Club, Ms. Vanshika, who introduced the esteemed guests from Aakash Institute. The counsellors engaged the students with an interactive

presentation, detailing the preparation strategies for highly competitive exams like JEE (Main & Advanced), NEET, and other university entrance tests.

*Key topics of discussion included:*

.Understanding the evolving exam patterns and syllabus.

- Effective time management and study techniques for board and competitive exam preparation.
- The importance of early planning and a structured approach to studying.
- Clarifying myths and answering frequently asked questions about these challenging careers.

The session was highly interactive, with students actively participating in a vibrant Q&A segment. The experts from Aakash addressed individual queries, providing personalized guidance and alleviating anxieties about future career paths.

# OLD AGE HOME VISIT

Blue Bird High School 's Interact Club Students Celebrated Grandparents Day with Heartfelt Gestures at Panchkula Old Age Home

The Early Act Club members and Interactors of Blue Bird High School brought waves of joy and warmth to the residents of the Old Age Home in Sector 15, Panchkula, on a special event commemorating Grandparents Day.

The visit was aimed at bridging the generational gap and spreading cheer among the elderly residents. The highlight of the event was a melodious song performance by the vibrant students of Class I, dedicated to their grandparents, which brought smiles to everyone's faces.

Adding a significant and thoughtful dimension to the celebration, Dr. Mam, associated with the school, conducted an informative session on the importance of eye donation. She eloquently explained the process and the profound impact a single donation can have, empowering the residents with knowledge and inspiring them to consider this noble cause.

The children further showed their care and affection by personally distributing packets of biscuits and sandwiches among the residents, sharing not just food but also heartfelt conversations and laughter.

"Today's event was a beautiful exchange of love and wisdom. Our core values at Blue Bird High School extend beyond academics; we strive to instill empathy, social responsibility, and respect for elders in our students. Seeing our youngest students interact so warmly with the residents and Dr. Mam's enlightening talk on eye donation made this Grandparents Day truly meaningful."

The management of the old age home expressed their deep gratitude for the visit, noting that such initiatives greatly uplift the spirits of the residents and make them feel valued and connected to the community.

# **EK KOSHISH-DONATED STATIONERY AND EATABLES TO UNDERPRIVILEGED CHILDREN**

Blue Bird High School's Interact Club "Prayaas -Ek koshish" Spreads Joy with Unique Donation Drive

The Interact Club of Blue Bird High School, Sector 16, Panchkula, today exemplified the spirit of community service and compassion through its heartfelt initiative "Ek Koshish." The club successfully donated 130 personalized sets of essential stationery and delicious eatables to students in need.

In a unique and thoughtful gesture, the members of Prayaas did not simply purchase donation kits. Instead, they invested their own time and effort into handcrafting carry bags within the school premises. These personalized bags were then filled with crucial stationery items to support the recipients'

educational journey, along with celebratory treats including samosas, gulab jamuns, and beverages, adding a layer of warmth and joy to the donation.

The event was designed not just as a charitable act, but as a profound learning experience for the club members themselves. By personally creating the bags and assembling the kits, the students moved beyond the concept of mere donation and immersed themselves in the values of empathy, hard work, and the intrinsic joy that comes from giving to others.

Speaking on the initiative, the School Principal, Ms. Vandna Bhatnagar stated, "We are incredibly proud of our Interact Club 'Prayaas'. This initiative perfectly aligns with our school's mission to develop responsible and compassionate citizens. 'Ek Koshish' was a beautiful blend of practical help, creative

expression, and a core lesson in human values. It shows that true service is about the heart and effort you put into it."

The Interact Club "Prayaas" operates under the guiding principles of Rotary International, fostering leadership and service among young students. This event stands as a testament to their commitment to making a tangible difference in the community, one thoughtful "koshish" (effort) at a time.

## **FLOOD RELIEF DONATION DRIVE**

Blue Bird High School Initiates Flood Relief Donation Drive

Panchkula: Blue Bird High School has launched a Flood Relief Donation Drive to support families affected by the recent floods in Punjab. The initiative encourages students, parents, and staff members to contribute towards providing essential relief, including food, clean water, medicines, and shelter.

To facilitate easy donations, a digital payment option through a QR code has been arranged. A minimum voluntary contribution of ₹200 per student has been suggested.

The school management has appealed to the entire Blue Bird family to come together in the spirit of compassion and solidarity to support those in need and make a meaningful difference in the lives of the flood-affected families.

## **TRASH TO TREASURE INITIATIVE**

Interact Club "Prayas ek Koshish" launched its monthly environmental initiative, "Trash to Treasure" on 4 July 2025. This project aims to tackle plastic waste pollution while creatively repurposing bottles for school beautification. The first drive successfully combined student participation, waste management, and artistic recycling.

The main objectives of this initiative is to prevent landfill accumulation and transform waste into decorative items for the computer campus.

To foster environmental responsibility and engage the entire student body, the school has instituted a recurring activity held on the 7th of every month. This initiative encourages students to participate in sustainability efforts by bringing filled plastic bottles to school. As an incentive to promote participation, each student will receive one eco-friendly pencil in exchange for every bottle donated. This program aims to actively involve every child in practical waste reduction while rewarding their contribution to a greener school community.

To tackle plastic waste pollution from every house and surroundings and using it for beautification. All the enthusiastic members of Rotary Club Chandigarh Central came forward to be a part of a monthly "Trash to Treasure" environmental initiative.

First event was held at Blue Bird High School, Sector 16, Panchkula, on 10th JULY 2025, Thursday at 11.00 in the presence of Ann. Madhu Bansal, Ann. Meena Singla, Ann. Sheenu Dania, Rtn Vandna Bhatnagar and Rtn. Salini Aggarwal Members of the Interact club of the school floated the idea in the students and their parents for our first collection and around 2300 1lt plastic bottles filled with used plastic bags and wrappers were collected. Three sitting areas were constructed around the trees and one rangoli was made using these bottles.

This initiative will not only help us to have a plastic free environment it will also help us to prevent land fill accumulation and transforming waste into beautification.

## CHILDREN'S DAY FETE

Blue Bird School transformed its campus into a hub of activity and learning today as it hosted a vibrant Fete in celebration of Children's Day. Moving beyond traditional festivities, the event was meticulously designed to serve as a platform for students to showcase and enhance their life skills.

The school grounds buzzed with excitement as students participated in a variety of interactive stalls and competitions. The Fete was structured to encourage practical application of classroom knowledge, focusing on crucial areas such as entrepreneurship, teamwork, and communication.

Highlights of the event included:

- **Entrepreneurial Stalls:** Student-run food and game stalls where participants managed inventory, handled finances, and engaged with customers, fostering financial literacy and business acumen.
- **Interactive Competitions:** Quiz contests, art workshops, and science demonstrations that challenged cognitive abilities and encouraged creative problem-solving.
- **Team-Building Activities:** Group games and collaborative challenges designed to strengthen interpersonal skills and promote peer-to-peer learning.

Speaking at the event, Vandna Bhatnagar , Principal of Blue Bird School, stated, "Children's Day is about celebrating the potential of our youth. We wanted this Fete to be more than just a day of amusement; it was an opportunity for our students to develop essential skills that textbooks alone cannot provide. We are immensely proud of the initiative and leadership our students displayed today."

The Fete saw enthusiastic participation from students across all grades, along with support from parents and teachers. The event concluded with a cultural program, leaving the school community inspired and energized.

## **METICULOUSLY CRAFTED STURDY PAPER BAGS**

Students of the Interact Club 'Prayaas - Ek Koshish' at Blue Bird High School, Panchkula, spearheaded a unique eco-friendly

initiative this week, combining environmental conservation with women empowerment.

The project, titled "Paper for Planet and People," aimed to deliver a strong message against single-use plastics while supporting local women green grocers.

As part of the drive, students meticulously crafted sturdy paper bags from old, discarded newspapers collected within the school community. These hand-made bags were then distributed to women vendors at local green grocers and vegetable market across the city.

The initiative served a dual purpose by providing a practical alternative to plastic bags, the students directly promoted the

message of "Say No to Plastic." They engaged in conversations with both vendors and customers, explaining the harmful impact of plastic on the environment and encouraging the adoption of sustainable habits. The project strategically targeted women in the vending community. By equipping them with these eco-friendly paper bags at no cost, the initiative aimed to support their small businesses. It helped them reduce their operational cost on plastic bags, attract environmentally conscious customers, and align their trade with sustainable practices, thereby fostering economic and social empowerment.

The Interact Club of Blue Bird High School is committed to undertaking projects that address community issues and develop leadership qualities among students.

## **Fire Mock Drill**

Blue Bird High School, Sector 16 Panchkula Organized Fire Mock Drill to Enhance Student Safety, on April 18, 2026

Blue Bird High School's Interact Club, "Prayaas ek koshish "in coordination with the Disaster Management Club, organised a fire mock drill at the school premises on April 18, 2026.

The drill was conducted to equip students with practical knowledge and hands-on training in handling fire-related emergencies. Students actively participated in simulated fire scenarios, learning critical skills including proper use of fire extinguishers (PASS technique: Pull, Aim, Squeeze, Sweep), Safe evacuation procedures and route mapping, Do's and don'ts during a fire outbreak and Basic first aid response for smoke inhalation and minor burns.

The event was supervised by trained disaster management coordinators and supported by local fire safety officials. Teachers guided students to designated assembly points, ensuring a smooth and realistic drill.

School Principal Ms. Vandna Bhatnagar ,commended the joint initiative, stating, "Such drills are vital for building awareness and confidence among students. "

The mock drill concluded with a debrief session, reinforcing the importance of remaining calm and acting swiftly during real emergency.
